The Lady:

As described on the website - slim and attractive - though not what I expected - I expected a natural beauty (and suspect that she is) but she wears way more makeup than needed.

The Story:

I've lurked on this site for years and finally took the plunge and visited Ego - my first ever paid for experience and I'm nearly 50 !

I've nearly been several times, but had decided that this was the day - I've read years worth of field reports so knew pretty much what I wanted. Then as fate would have it, there was a late change of rota the night before & Penny was on the list for Sunday.

Still not completely sure, I started driving towards Milton Keynes not having booked. I stopped at 10:00, made the call and asked for availability at 10:30 - there was only 1 girl available and it was Penny ! I could hardly believe my luck.

On arrival, I was shown to the room - not quite sure what to do next, I stripped to my underwear - Penny arrived and it was all very easy from there.

I went for a straight massage - which was very good - and the happy ending a welcome bonus.
