The Premises:

Hotel near Earls Court station. Clean and presentable, although I didn't like the fact that to get to the rooms you have to walk really close to the reception desk!

The Lady:

Sasha is gorgeous, just as she looks on the website. Tall, slim, gorgeous elfin face, fantastic body and big shapely breasts.

The Story:

This was a spur-of-the-moment visit after having been out for the evening - I was surprised to find that Sasha was free, as she's very popular. I book with half an hour's notice and went straight round.

Sasha remembered me from previous visits and we were soon kissing deeply. It was a struggle to pull myself away and have a shower, but I did, and when I came back Sasha was sitting on the bed wearing sexy underwear.

Sasha had become quite famous on the Max's Angels website forum - she said a few months ago that she finished a client off with a blow job in the hotel stairwell. Naughty girl... I was hoping to try this, but unfortunately Sasha's room was really close to reception and there was lots of footfall. But Sasha wanted to show me what she would have done in that stairwell if we could - so she pushed me gently up against a wall, dropped to her knees and started sucking me hard and deep, using just her mouth and bracing herself against the wall with her hands. Oh my God - what an experience. I closed my eyes and imagined the frisson of being in a public place too, and when I opened them I looked down to see Sasha looking up at me, I'm sure I detected a smile although her mouth was otherwise engaged!

Sasha had said I could cum on her face but I was too desperate to fuck that stunning body, so we got on the bed and she started to ride me. It feels good to be inside her, she's really tight, and watching that body go up and down is a great view. We changed position to doggy and I couldn't hold back, I came hard inside her.

I returned the orgasm favour by licking Sasha out, which she seemed to like. We were just about to start again when we were interrupted by some people trying to get into the room - fortunately nothing sinister, just people who can't read room numbers! Sasha was quite entertaining in the way she got rid of them, she was amusingly sarcastic but not to the point of being rude. Clever girl.

Then of course one more shag - me on top, looking down at that gorgeous face and wild hair, with Sasha urging me to fuck her deep. Which I did.

Lovely girl, amazing fuck, I'll be back.
