Genuinely stunning, with a fantastic smile, and obviously an amazing body which was straining at the tight dress she had on.

The Story:

After I had showered, I came back into the bedroom and Molly was lying on the bed, waiting for me. She stood up and gave me a kiss - and actually, this was the only disappointing aspect of my visit, that she didn't really kiss deep, and no tongues involved. But apart from that, everything was completely wild. Molly grasped my cock through the towel, then pulled the towel away and started stroking me, as she was still standing, staring into my eyes, smiling at me and feeling my cock stiffen in her hand.

Molly got me to sit on the edge of the bed, and she knelt in front of me and lowered her head onto my cock, licking it gently before taking it in her mouth. Her BJ is great, she definitely takes it deep. She asked if I wanted to continue with the blow job - I could so easily have said no, I want to fuck, but instead I moved onto the bed, lied on my back and asked her to carry on - that mouth around my cock was just too good! So eventually the inevitable happened and I exploded into her mouth. Molly disappeared to the bathroom with a cheeky grin!

Next it was Molly's turn, and I really think she enjoyed me licking her out. She has a great body viewed from any angle, and staring up from between her thighs you really do get an amazing view of her tits and of her gorgeous face. Soon it was time to put on the condom and shag - and I couldn't hold back, I just wanted to fuck this porn-star body. So we went hard, and Molly encouraged me to fuck her harder and harder. I came a happy man!
