The Premises:

As I have reviewed her before....nothing has changed. This is a flat above retail premises from where she works only. Clean, cosy, simply furnished. Bathroom available to freshen up. Easy access with 40p off street parking just one minute away.

The Lady:

Amanda is that MILF you view from afar in your local pub, that neighbour you see coming and going, or the one who works out close by at the gym, that you would just love to find out if she 'would' if you had the nerve. Sex on legs, well dressed....Yes, I have seen her dressed one time, well cut hair and that look that tells you how right you were to make a visit.

The Story:

Amanda, is one of the best women I have ever visited over the past few years. I haven't seen her for at least 18 months.....what wasted time! She is still as good as I remembered and I will not wait so long to see her again. Thanks for a great time again Amanda.
