The Story:

Alberta is one of the most beautiful women I have been that. An extremely beautiful girl along the lines of Paris Hilton. Toned body though with small A cup breasts. Contrary to the description of her services on some other websites which go into details - Alberta doesn't offer OWO. However, it didn't take away from the time with her as she is intelligent and well read. After introducing we indulged in some passionate DFK (she is excellent at this). Afterwards covered where she deep throated me - decent but after my regular OWO - it is a come down. Sex was in various positions with a second round on offer. I would recommend and return as she is so very pretty and could probably charge double at some of the more high end agencies.
