The Premises:

Clean, comfortable and well equipped flat which is conveniently located and easy to find yet is discreet.

The Lady:

Tall, buxom, shapely girl. Fairly attractive with curlyish brown hair. overall a nice package and her pics are accurate.

The Story:

Really enjoyed myself. Went for a secretary roleplay whereby I admonished her for her shoddy work. She gave me some chatback so I grabbed her by the throat (lightly) and gave her a couple of (light) slaps and made it clear she had to really impress me to keep her job.

I got my cock out and she wanked it hard whilst on her knees. Of course she was made to suck me (covered) before I HAD HER stand up and bend over. I lifted her skirt, pulled down her panties and administered a good spanking.

I then moved to the bed and she crawled onto it and carried on sucking. I then pounded her doggy style occasionally tugging on her hair and holding the back of her neck and also while she was flat on her chest and she submitted to becoming my slutty secretary and it wasn't too long before I came.

Overall, Amy is a wonderful sub and out of role she is a pleasant and engaging girl. I'd like to try out a few of the other girls here (and explore the sub genre further) but I wouldn't hesitate in seeing her again.
