The Lady:

Ok so my last visit to Annabellas was a bit of a let down so I was a little nervous this time but as soon as Leona walked through the door I was very happy, she is a stunning Spanish girl who has a nice cheeky smile and exotic looks, she is not you typical blonde hair blue eyed sort of girl she looks very much different but in a good way. She has a very sexy body

The Story:

Started of with some sensual kissing, Leona then started to massage my cock and then tease me by putting it between her bum cheeks and sliding up and down on it :) eventually she started to suck it licking up and down on my shaft. I positioned her on the bed doggy style and ate her pussy from behind flipped her over and ate her pussy some more then we has steamy sex (it was very hot)in several different positions, I will definitely book for longer next time as she is one sexy girl who you can have a decent conversation with happy to say I left with a big smile on my face :)
