The Premises:

In the High Road flat above shops. Entrance at the rear through car lot. Next door to Le Chateau. OK in the evenings but you probably need to be thick skinned during the day. Spacious rooms, clean, reasonably appointed, above average.

The Lady:

Tanned, svelte & toned mature New Zealander, with a figure that girls half her age would envy. Very attractive.

The Story:

Not been to this establishment for years. Had met Sonia more years ago than I care to remember at Le Chateau soon after it opened. Pleasant trip down memory lane. Good conversationalist and easy to strike up a rapport. Very tactile, dfk, started with a massage and having mentioned comments made years earlier by Sandy, was invited to go down on Sonia who enjoyed it to the full, becoming very swollen and wet, and after a little recovery was up for second helping. Couldnt help commenting that when the maid said that £60 was a come twice service I thought she meant me! My turn was to come however and was very satisfying. Made me feel years younger. A delightful lady that I expect to see again very soon.
