The Premises:

Same place as reported on by others and me in FR113864. Safe, quiet & easy free street parking. The bed has been raised up from floor level since my last visit. Thank God for that!

The Lady:

In a word: perfection. various other fr's said she had curves and an arse to make a man weep. They weren't kidding. She is what you call a "real woman" with a body that you just want to get your hands on. She is about 5ft 3 tall with great legs and also has a superb pair of natural d cups with lovely nipples. But the best bit is the lovely smile and a nice easy going personality that puts you at your ease straight away. She is well spoken & obviously intelligent and has perfect manners (until you get into the bedroom!). In short; a little superstar.

The Story:

She met me at the door wearing a basque & a thong & wide smile. My kinda girl! After a hello kiss & a drink of water, I got the paper out of the way & had a shower. Back in the bedroom I found her sitting on the bed & we proceeded with some passionate kissing (she is in my top five ever of best kissers), and her hands eventually wandered down to my by now rampant old fella. She then slid her way down & started giving me a nice slow & very sloppy bj (I asked for it to be sloppy). This girl is a certified expert in the old owo dept. I said she could do what she wanted with her hands, and let's just say she she sure knows how to use her fingers to amazing effect! After a while I decided to taste her lady bits & found them to be lovely & sweet tasting & very responsive. She was already quite wet when I started and didn't bother with the fake pornstar moans (hooray). After a while she had a pretty earth shaking orgasm which made her moan for real, and resulted in quite a bit more moisture down below. Superb. After a bit more kissing & fondling we then slipped the hat on & she rode me cowgirl nice & slowly with lots of touching & eye contact. After a nice long session of sex with her on top, I suggested a bit of 69, and proceeded to have a great time with her soaking wet puss & bum. Her hands & fingers made music on my old chap & balls & arse like a concert pianist & when I came (in her mouth - & she swallowed) I nearly passed out with the force of it! We then chatted happily for a while & I eventually left about ten minutes later than I should have. This girl is an absolute diamond, and I will 100% definitely be paying her a return visit. I would urge any red blooded man who thinks he can handle a proper little sex maniac cutie to give Sky a ring & visit this

girl, but hurry up because I get the feeling she will get booked up very quickly. Another top punt from one of Sky's bevvie of stunners. Thanks babe.
