The Premises:

A small two bedroom flat situated behind a row of shops on a not to busy main road, it has a discreet entrance which I felt safe going into. Parking is easy and free, and the location is on several bus routes. The flat was clean and fit for purpose, with two upstairs bedrooms that can be used. The maid who greeted me was friendly and welcoming.

The Lady:

Lisa, who is a Blond, is from Sweden, and I would guess is in her mid 20s, greeted me warmly and immediately put me at ease with her relaxed manor. She stands about 5' 7" and was dressed in tight jeans cut right high to the hip with a white t shirt when I met her. She is very curvy, which I prefer in a woman, and I would say is a size 10 with a bust size of 34D. But what do I know! We discussed the prices and services offered, and I plumbed for the one hour full personal at £80. Her English is good, and she has a nice smile, and as it happens a nice personality to, which makes for a good GFE if that's what you are after.

The Story:

Lisa made me feel at ease from the start, so I was relaxed and not at all edgy as can be the case on many of these encounters for the first time with someone you have not seen before. First up we started with some kissing which to my surprise went into open mouthed tonsil tickling very quickly, then lisa did some nice oral on me, her technique is wonderful licking the tip, and then all the way down the shaft, and finally deep throating me, she is very skilful at this, and I nearly came at this point, and had to ask her to stop. So we then moved into straight sex in mish and then we reversed roles with her on top. At that point I shot my load so we cleaned up and sat and talked a bit, while I recovered. I still had time as my hour was not up, She is no clock watcher and was never in a hurry to push me out, we lay together and had a nice cuddle, more GFE if you like. I then did some more masturbation on her, until I think she had an orgasm, this woman does indeed enjoy her work! Lias must be a very sexy individual. Afterwards I showered off as I like to feel clean and refreshed, and left with a smile and a spring in my step having found a little gem of a woman who gives a great service, and at very reasonable prices. I will be returning soon, as Gentleman, so should you.
