The Premises:

A clean well-maintained modern flat close by to the Clyde, short distance from the main city centre.

The Lady:

Mistress Rosalee has a slim and very attractive body with beautiful green eyes, which are a pleasure to beholden assuming you are not blindfolded as I was for some of the time!

The Story:

I visited Mistress Rosalee for an introduction to her domination style. She has a unique style and was able to control the tone and temperament of the role-play perfectly. Our role-play covered a mixture of traditional domination and humiliation; I even enjoyed some of her uniquely refreshing champagne!

Afterwards I was offered shower and refreshments, enjoying a brief chat out-of-role over a cup of tea.

Rosalee was easy on me as this was our first meeting, although I'm sure I could take more, brave or foolish words on my part, I'll have to revisit to find out I can't wait ?.
