The Premises:

Her flat in the Oxford Circus area. Wedged in-between a number of busy restaurants, but you won't stand out.

Small clean bathroom with a shower available to use - no bath. Medium sized room, nicely cool in this weather. Clean and firm bed.

The Lady:

Slim and trim, about 5ft 3". Enhanced breasts, very convincing and a great feel to them. Her new posted video on the AX site is fair, slight facial belmishes. Very much a cutie.

The Story:

A very pleasant, friendly and welcoming lady. While a new face to the scene, she's aiming to please. A naughty GFE experience and is willing to go with your flow, a benefit to being new. Enjoyable and generous DFK and knows how to move her body.

If you've enjoyed time with other popular thai girls in London lately, you'll find her in the Mercedes/Zizzi/Pamela mould of focusing on you throughout the entire encounter, although probably slightly less raunchy than Mercedes/Pamela. Can't see her not building up a fanbase.

Recommended? Oh yes.
