The Premises:

Near shopping centre. Are well used by agencies . Safe secure parking adjacent. Flat in small block with entryphone. All felt very safe. The time may be a little bit out, buit it was lateish that evening

The Lady:

The profile depicts and attractive young woman .The truth is that Leah is even better in real life. She has a stunning face and fabulous smile. Perfect body and sexy european accent. Particularly liked the hold up stockings which were nice to leave on though out the booking .Looks anything from 20 - 29 . Just my type!

The Story:

It would have been understandable if at the end of a long busy hot day ones escort was a bit jaded and lack lustre. None of that here ! Leah opened the door sporting a beautiful smile and welcomed me in . She seemed chatty , confident , enthusiastic and energetic - just as one might hope for an 11am booking . We drifted effortlessly into a GFE. Nothing seemed forced , rountine or choreographed. The booking flowed comfortably and sexily to its conclusion . This was a really lovely booking and I hope to see Leah again soon for a longer session. Treat her well guys - an all star in the making !
