The Lady:

This woman has MILF written over her. She's 43 but looks great for her age, blonde hair and a great figure. Nice big tits and a nice pussy shaved into a Brazilian.

The Story:

Upon arriving Christy showed me to the room and asked me to make myself comfortable. On returning to the room she stripped me naked and asked me to lie on the bed. Next she gave me a bit of teasing, pulling her big MILF tits out and squeezing them and lifting her skirt to show me her luscious MLIF pussy which I was delighted to see had the clit hanging out and ready. She rubbed her pussy and commented on my rising erection. The MILF experience was terrific with her explaining to me how to lick a clit like I was some silly school boy. She lay down on the bed and I slapped my lips and tongue around her clit and started licking much to her pleasure. Her snatch got very wet very quick and before I knew it I had her fanny juices running down my chin whilst she continued to tell me how to lick her clit. I plunged my fingers into her wet hole and fucked it while still licking her clit and in no time I had her cumming and telling me how good I was etc. Her best line while I was licking her pussy; "Here's a nice wee pussy for you."

Next she sucked my cock giving it some great OWO. This was really a bonus for me as her profile had stated that she only did OW, although she did request I didn't cum in her mouth. She took a particular interest in my balls which she was very keen to give a good teabagging to every now and again. Next on went the cover and I plunged my cock into her wet cunt and gave her a good hard fucking with me on top and her legs on my shoulders. It wasn't long before I blew my duff deep inside her pussy with her pushing back hard against my cock.

Terrific experience with a total MILF.
