The Premises:

Its up a wooden staircase around the back of a window shop 380 atterclfe road Sheffield. I've never been to a place like this. there was a room full of people and 2 girls poll dancing, probably 7 working girls all foreign and young, some guys and some girls just hanging out. There was an English lass she seemed to be in charge

The Lady:

Young under 20 i think platinum blond slim very very pretty

The Story:

She seemed inexperienced. She didn't do any porn star stuff it was just covered penetration. I was offered a covered bj after she put the condom on but didn't bother. Having said that just covered penetration with such a pretty sexy teenage girl was incredible. We had some cow girl and mish and i really enjoyed it.
