The Premises:

Discreet flat close in town centre. Clean and pleasant with good shower.

The Lady:

Very attractive black lady in mid 20s with shapely breasts and a lovely bottom.

The Story:

OMG. How have I missed this wonderful lady till now? Liked her pics but loved her look in real life and it didn't harm that to find we were kissing long and lovingly as soon as I got out the shower.

Hands roamed and slowly bits of clothing revealed a lovely body.

We pleasured each other and were both responsive and loath to stop. Olivia is both experienced and genuine in her responses.

The sex was then as loving and physical as I can ever recall the like of and Olivia was the perfect lover.

I have found a complete darling.
