The Premises:

Parlour in Victoria Road, could do with some refurbishment. Door opened by Alicia and after saying that I wanted a shared bath she took me upstairs.

The Lady:

Alicia is a tiny Thai lady with a a great figure and huge nipples.

The Story:

After an oily back massage on the bed we got in the bath and she gave me a soapy wash working my cock and fingering my bum hole. After we dried we got on the bed for cuddles and kisses (not FK but nice nevertheless). More oil as she rubbed up against me. She wanted an extra £20 for OWO and wouldn't accept the £10 I offered so on with mac for covered oral. I have to say I enjoyed it both on the bed and stood in front off the mirror whilst she knelt in front of me. I then fucked her in doggy and then mish with one leg over my shoulder to maximise penetration. Good climax to finish. She offered more massage but I decided to go in the tub on my own to was the oil off. Nice relaxing punt but decor definitely lets the place down.
