The Premises:

Nice serviced apartment on Cromwell Road close to Earls Court tube.

The Lady:

Wow. Young Hungarian girl with a cracking body with not an ounce of spare fat to be seen. Lovely smile. A genuinely sweet girl not hardened by her profession at all.

The Story:

Asked her to play the innocent but sexy schoolgirl, which she did unnervingly well!

Great bj quickly resulted in a mighty oral explosion which she proceeded to dribble down her chin onto her cute little breasts.

Then chatted for awhile before commencing round 2, starting with some nice DFK'ing, then her on top which was such a smashing view that I decided against my second favorite position and continued on to a quite rapid climax. Must be getting boring in my old age!
