The Premises:

Ground floor apartment near Staples, nicely appointed room and with good parking nearby.

The Lady:

Perfect size 8 smooth ebony skin super fit babe body with fabulous enhanced soft boobs you just want to kiss and fondle. Wearing black fishnet stockings and a very sexy white lacy chemis with suspenders. Very friendly and easy to get on with.

The Story:

I've seen Millie nine times now and my last three punts prior to this one were all 2 hours of hot steamy sex with her.

Millie's services are described as 'All Services' and indeed she does offer all services although personally I'm not into 'A' or strap on. But what I do go for and enjoy has been delivered with real enthusiasm. DFK, sex in doggy, cowgirl & reverse cowgirl etc. RO in various positions, facesitting (with my hands fondling those wonderful boobs of course) 69 and 69 with me on top. Amazing OWO in some great positions while admiring her fit body and as with my punts with Millie, always ending with an explosive, ball draining CIM finish that is guaranteed to drive you wild with pleasure and ecstasy, followed by the anticipation of a dirty snowballing finale.

Go see her and have yourself a great time!
