The Premises:

Fingertips is an established discreet, well-run and well-appointed parlour in Fenton.

The Lady:

Lucia is a late-30s mixed-race lady (3/4 English; 1/4 Caribbean). Although not pretty and quite short with dark frizzy hair, she nevertheless has a fine body with smooth coffee skin, lovely arse and pneumatic boobs.

The Story:

ALthough she made a point of saying how many satisfied regulars whe had, I was unmoved by Lucia. There was nothing approaching a GFE, and she seemed quite uninvolved, appearing just to want to get through the session without paying any real attention to her client's desires. She wouldn't kiss, apart from brief pecks. She constantly talked inane "sexy" nonsense that I found a turn off, and the session was not consummated at all. I left and visited a nearby parlour and had a proper enjoyable fuck.

Lucia says she does anal for another score. Taking her at her word, Lucia appears to be making a lot of customers happy, but she did nothing for me and I shan't bother seeing her again.
