The Lady:

Lara is as described on the website, plenty of accurate photos. Very slim, perhaps almost thin, but that's hardly a criticism. Small natural boobs with tiny pert nipples.

The Story:

Have seen Lara once with Lucy, and once more recently on her own, which was a very enjoyable experience. Having had a couple of second rate punts recently (one at this establishment), I decided to to see Lara again, as I was fairly confident that it would restore my faith.

Started with few minutes standing up, kissing and mutual undressing, leading to very enjoyable OWO. Then onto the bed for continuation – eventually I had to take a break in order not to terminate the session far too early! So spent a good few minutes repaying the pleasure (I hope), lots of RO, which she genuinely seemed to enjoy. Then on with the cover, and before I could argue, she was astride me grinding away. I usually like to start in mish so that I (hopefully) have some control, but fortunately I managed to hold on. Then rolled over for a most enjoyable session of mish, for part of the time with her legs over my shoulders.

Once we were approaching a conclusion, I stood in front of the mirror with her kneeling in front of me for the finale, which was great, and she didn't rush off too quickly – which I find often leaves me feeling a little unfinished.

In summary, it was another great session with Lara. Now I need to try Lara and Tiffany together, I've tried all the other combinations of these three great ladies!
