### The Premises:

First impressions are important and this establishment scores top marks. It was spotlessly clean well decorated with an excellent reception that reminded me more of a modern private doctor or dental surgery. We felt immediately at ease and relaxed. The receptionist greeted us immediately in a friendly & courteous manner and offered a variety of none alcoholic drinks that were complimentary. She explained the various rates and then introduced us to the ladies who were available.

My companion left selection to myself and I selected 2 girls for him and this left Kandi to attend myself.

### The Lady:

Kandi, though not my usual physical type as I normally prefer curvy voluptuous ladies, is absolutely stunning a dusky maiden she is a petite size 8 with beautiful pert and full breasts a perfectly shaped bottom and lovely legs. With her long dark hair and large beautiful eyes that contain a hint of the pleasure to follow and full kissable lips I instantly knew she was my choice.

### The Story:

She led me to a comfortable and clean well furnished room and gave me a real massage easing the tension from my body before and without any prompting a teasing sensual massage. She caressed my body and we exchanged full kisses before and after she performed oral upon me. I have never been with a working lady before that didn't seem fake at some point but Kandi was natural and I felt like I was with a girlfriend that I had been with for years who knew exactly what I liked and who wanted me to feel special I did not have to prompt her or ask her at any point to do something she just knew.
