The Story:

The ethos of Lady Marmalade is that the girls give to everyone present - often two at a time - an experience that is unequaled on the current party scene. The old Max parties came close, but the commitment of all Lady M's girls to your pleasure - without break - has, in my experience, never been emulated. And you may get lucky; one beautiful lady performed both rimming and CIM. The pictures on the site give no idea of the girls you will meet. All are attractive, some more so than others. Some offer more services than others. But all offer themselves to you. And if you have not been given OWO by all seven within the first hour, then the problem is with you. And as Lady M stated, the whole experience is about travelling, not about arriving. Its the most pleasurable journey you are likely to experience. I have not found better on extensive world wide travels. Can not recommend too highly. But not for the faint hearted. If you are not - enjoy. You most certainly will.
