The Premises:

Easy to find, in the centre of town. Plenty of paid for parking around. Her house is clean, as always. I was ushered straight upstairs into a freshly painted bedroom. No problem with safety.

The Lady:

Jas is a voluptuous Asian lady who I have seen a number of times. She is very welcoming and afterwards holds an intelligent conversation. She makes sure that you get what you want. She had fabulous boobs which she uses to great effect and was dressed in a short mini dress which showed off her magnificent cleavage.

The Story:

I phoned Jas on the off chance that she was free and luckily was able to see her within the hour. We discussed my needs and agreed on the full works which included CIM and finishing off with anal.

Immediately down on the bed for a massage with Jas getting tantalizingly close to all my sensitive parts - just enough to get me really worked up.

She is an expert at oral and licked my balls perfectly. Jas has a great selection of toys and gave me a good seeing to with a dildo before we got onto covered sex in missionary.

She admitted to not having had anal for a couple of weeks so it was lovely and tight but Jas loves anal and we had a good session to finish off.

For the ultimate sex session in Braintree, you need to visit Jas. I certainly will visit her again soon.
