The Lady:

Beautiful with a wonderful coy smile. Lovely small breasts and a kylesque pert bottom. Best of all are her eyes. I have been doodling them for the last fortnight while waiting for inspiration to arrive. She looks at you as she rides on top and you realise nirvana is here in a Milton Keynes bedroom. Just look at her pictures on the website.

The Story:

I first saw Lina at a Lady Marmalade party - her first paid sexual experience,what a way to start ! She was very good but when I saw her a fortnight ago in a one to one situation she was magnificent. I told her she was to be my birthday present on the 26 and I came back early from New York to ensure it happened.

I waited for this second visit before reporting as I wanted to ensure my first impressions were correct. I have had rampant, mind boggling sex with girls before e.g. Carmen,Foxy, Laura, etc. I have met women I would happily have sex with for the next 30 years such as Sally and Ella. Never before have I met the perfect paid partner. There are some like Demi and Izabella that were close but Lina is an even better fit for my key of life.

She makes you think of those perfect moments when your with a long time girlfriend and it is all going well. She knows what you want and gives it to you while enjoying it as much as you are. She looks at you with total love in her eyes and also makes you laugh. She cares deeply what you think and understands you completely.

All of this in an hour ! The women is stupendous. Luckily I am a cynical, experienced punter who is twice her age otherwise I could make a fool of myself with Lina. Instead I shall go on seeing her on a regular basis until someone whisks her away and I start the search all over again.

For the information of the non fluffies amongst you she provides every service her profile page states she does and all with enthusiasm.
