The Lady:

Probably the girl in the photos. She now has a different hairstyle.

The Story:

Got her details via Ace Massage and arranged to see her. Pretty girl, but the service was not what I expected and definitely a clock watcher.

Asked for a shower to cool down but was left to puzzle out how it worked for myself. Emerged some 10 minutes later and was invited to lie down for a massage. After another 10 minutes or so, I asked if she planned to offer any better options, to which she stripped down to her panties for body to body massage. Skipping the blow by blow account, suffice it to say that lots of things were not on offer. No kissing, no OWO - covered only. I asked for DATY and she had the temerity to suggest that paying for another hour MIGHT be worth my while.

I have had better service in a Chinese herbal remedy and massage shop for a third of the price.
