The Premises:

Small block of flats just outside Purley town centre. Flat recently redecorated so very pleasant and airy.

The Lady:

Petite, slim, medium-length black hair, pert breasts - altogether rather cute! Bulgarian, but been here for years so just the accent remains. Mid to late 20s. Very friendly and keen to provide an excellent service, but probably wouldn't suffer fools gladly, so don't try to mess her around - I didn't and got exactly what I needed! There seems to be excellent reports elsewhere, so I was a bit wary, but it looks like some of them may well have been genuine (for a change...).

The Story:

A very pleasant time with a girl who really does enjoy her job - at least she exclaimed "I so love my job" after I brought her to a shuddering climax with my tongue. I went for oral and sex (all with), and found out afterwards that anal would have been possible (but not really my thing).
