### The Premises:

An old ground floor flat in Brampton

### The Lady:

Looks a hell of a lot older than the age given and she has big saggy tits and fat with very little English.

### The Story:

Lived in flat and to be honest I wished I had not bothered nothing exciting like offered in her advert and she did not look like she was 36. The blow job was ok and she swallowed the lot but I just did not want to spend time in there. I suggest you keep clear.
