The Story:

I rang the bell but the buzzer did not appear to work. Saw a beautiful girl in short pink dress tiptoeing towards the door. Boy, she was pretty. followed her quietly into her flat - she has another flatmate who said hi and got into her room - she was hot too!. Placed the gift on the bedside table. She did not count although I asked her to check.

Had a snog and fondling with her. I liked the way her hands moved slowly towards my cock and gently stroked it. as requested, she wore nothing under her dress. felt smooth and wet. Umdressed each other; had a shower and came back. she was sitting on the bed. I stood close while she took my cock slowly inside her mouth. Gentle, slow and sensual owo. Moved to 69, which she appeared to enjoy; sex in various positions including my favourite "spon" position. Finished in her hot mouth. Highly recommended. A rare opportunity.

Wonderful time; thanks to gabby the receptionist and Nikole.
