### The Premises:

Modern apartment in town centre. Address given didn't help fully but got there in the end. Had to park in nearby multi-storey pay & display car park.

### The Lady:

Petite, blonde, very sexy. Perfection.

### The Story:

Getting in touch took a little while but finally an arrangement was made for the date and time I was available. On arrival at the location she gave me the flat number and buzzed me in. I handed over the paperwork and she got straight down to it. Before long we were both on the bed kissing and caressing. Sex in various positions followed and she responded positively to my requests. Catherine is a real beauty and a great companion.
