The Premises:

Good part of western Slough, reasonable area. Modern blocks of flats, better than some I have had the mispleasure of visiting. She shares it with another girl. Usual arrangements.

The Lady:

Photos not clear, but I think she is a real beauty. Full pert breasts, lovely figure, long dark hair. Not only that polite and friendly. Perfect for me.

The Story:

Instantly know this was a winner. Asked to and took a shower. Sylvia then asked what I liked. Everything I wanted was carried out with real gusto (her profile will tell you what she does). In particular an excellent deep kisser, which is rare. After first pop had a real nice chat. Lovely genuine girl. She had a cigarette, but unusually it didn't bother me. Squeezed in a last minute OWO to completion. Finest hour I have had with a young in a very long time, up there near the best. Excellent value. She says she gets very busy some days. I can see why.
