The Story:

Went to dinner at an upmarket restaurant. Julia was interesting to talk to with perfect command of English

In the bedroom, Julia was fabulous in giving OWOs, taking CIMS and swallowing. She was very accommodating and friendly. Took several doggy-style prolonged poundings. Watching that sexy body of hers writhing and rocking was awe-inspiring. Also took a good face fucking and performed excellent deep-throat. Boundless energy and stamina.

I have never returned to any WG, but Julia will be the exception. Worth every penny.
