The Premises:

This flat was in a quiet road located neat to Kings Cross tube station. Access to it was through a large wrought iron gate and when I got to the next gate at the bottom of the flats, Sophie called out and threw the key wrapped in a plastic bag from the top floor. The flat was clean and it had a modern bathroom.

The Lady:

Sophie is am East European girl with bottle blonde hair. She has soft c/d cup breasts and a nice little bum.

The Story:

This was a quick session which started with covered oral. She was a bit too heavy with her hand which diminishes the sensation for me. We then had sex in the doggy position and I asked for a slow hand finish which was excellent.
