The Premises:

Excellent clean room at the top of the building with a mirror alongside the double bed and an en-suite bathroom.

The Lady:

Paris - tall, blonde, model-like, very attractive, large breasts

Esme - dark, curvy, incredible rear, a beautiful girl

Libby - lithe, very attractive and up for it

The Story:

This is the second time I've visited Karma Sutra Girls, the first was two months previously when I saw Esme and Jenny for a two girl interaction, which was fantastic.

This time I saw Paris for one hour, joined by Esme after half an hour. When Paris left, Libby joined Esme for the final half hour.

A very hot day and despite the fan the room got hot too during an extremely energetic, stamina-sapping session.

Paris gives an incredible bj and her riding me on top was a wonderful sight as her breasts heaved and bounced. She has a very sexy accent and knows what she's doing.

The blonde and fair skinned Paris with the darker Esme was a fantastic and intense combination. Esme pulled her knickers down, got on all fours on the bed and thrust out her arse while I was giving Paris some attention. Just wonderful. They both went down on me at the same time and I had a lot of sex with Esme and came during this session.

Libby got right into it when Paris left and I enjoyed a lot of sex with her and Esme. Libby was new to the parlour but was very willing and able and seemed very comfortable, much to my pleasure.

Overall all three girls gave a lot; they were friendly, amenable, very attractive and very sexy. It really

felt like my lucky day. It's probably just as well I'm in Manchester so rarely as my bank balance would take a hammering with this kind of temptation and high quality service.

I highly recommend all three girls and the establishment.
