The Story:

1st time seeing Honey. Wow I was blown away.

Honey walked in wearing sexy lingerie, stockings and sexy heels.

Straight away she undressed and got down and started to suck me off with her dirty talking mouth.

We then got to the bed and fucked in a few positions.

Then came my favourite part. I had read Honey has a foot fetish. So I asked if she has a shoe fetish and loves rubbing them over guys cocks as I had noticed it looked like she was wearing a lot pink/fusca pair of Louboutins. And said how I have always dreamed off having a pair of Louboutins rubbed over my cock and balls by a hot lady.

She happily agreed and for most of the time my cock was being played around by a pair of Louboutins while sucking her sexy toes through nylon stockings.

I had one of the best climaxes of my life as while I was wanking myself off. Honey fingered herself with the heel of her Louboutins and I came on her other Loub shoe, and just wow I was speechless. I have always wanted a woman to do this.

I will defiantly be seeing Honey more and hopefully play around with more of her Louboutins. If you are also into feet and heels. Then Honey is the woman to see
