The Premises:

Maisonette on the main road running near the newly promoted Palace teams home ground. Clean and functional. Entrabce is fairly discrete, parking in the nearby supermarket carpark is free for 3 hours.

The Lady:

Suzy is as per her profile pics on the website, tanned with a nice curvy body, maybe size 12, she is a smiler.

The Story:

I went to visit her because her profile said she did things that in the end she did not and at £60 for a more mature lady I felt worth a punt, so no owo, no french kissing, no deep throat, she even made me gargle with mouthwash before allowing me to DATY ! She also insisted I massage her upfront which is odd. However we did have a nice sexy shower together which I enjoyed.

She was friendly and because of that and the shower I will recommend her if you take with a big pinch of salt her "likes"
