### The Story:

If you're reading this debating whether to try Lady M's Parties I say one thing --- just do it!

Was my first party and I'm hooked. I wondered if it would be hard to get it up or if I'd be put off with lots of others around. If anything its hornier. There is a chilled vibe and all the girls are open and available.

Girls of note for me; Bia and Jennifer - cute as buttons and Adriana was the kind of girl you'd easily fall in love with. There were lots of tattoos on display and that really stirs me up (I love a bad girl!). All of them were stunning -- the website photos are crap.

After an hour I was spent and had done all 7 girls, after 2 hours my cock was well and truly emptied. There was about 10 guys max. Never had to wait and happily took a break knowing I'd come back and there would be more available. My cock has never been blowed so much and by so many.

Cannot recommend this highly enough. It was awesome.
