### The Premises:

She is based in a quiet flat in south kensington. The facilities are clean and the bedroom is spacious. To be honest i was too distracted by her to notice the fixtures and fittings.

### The Lady:

Totally scrumptious, Christine is all woman. I asked her to wear the secretaries outfit as per her website with some seamed stockings and really high heels. She didn't disappoint, i was totally spellbound on seeing her.

### The Story:

Christine is simply captivating. Within minutes of meeting her we were DFK and i got to run my hands all over her fabulous figure. She is super sexy and she knows how to move her body in a sultry sensual way, it had me really turned on.

I was in bliss just kissing and grinding up against her but she's a feisty lass and after ablutions and other formalities she proceeded to give me lovely deep oral. Phewww! I thought i was going to pass out she is that good. Then it was her turn so i spent some time licking and sucking on her gorgeous mish. Wow! she knows what she likes and it was great to able to get her in the mood. Rampant sex soon followed. Doggy, cow girl, split reeds, butterfly, scissors.... sounds like a load of yoga positions but a lot more fun. Hah, hah, i came in an aura of heavenly bliss.

Christine is simply a wonderful girl. She is hospitable with drinks and snacks and also provides a fine line in fun, yet witty and intelligent, conversation, banter and sex talk. How could I not want to see her again.
