Very nice and tastefully decorated flat. Discreet entry involves first being "buzzed" in, then up a couple of flights of stairs.

It's all been said accurately before. Charlotte is basically a curvy woman in all the right places

The Story:

Due to my advanced years having taken their toll on my libido I had semi-retired from this activity which we all enjoy so much. However I had read Charlotte's web site more than once and each time I got the impression that she had a genuinely high sex drive. Nothing turns me off more than fake moaning, fake compliments, fake orgasm's, fake tits etc. etc., if that's what you want, I'm sure Charlotte would prefer you to go elsewhere. On the other hand, if you enjoy the subtlety of satisfying a real woman to the best of your ability and not as a challenge and being more than repaid in kind, then I have no doubt that Charlotte will be very keen to see you. I don't go in for the clinical descriptions of what happened between us, but I will say that I managed round two and I haven't managed that since I was in my thirties and that was a very long time ago. In conclusion, this was an unforgettable session of intense pleasure that even dwarfed my trip up the shard ten minutes later. I look forward to returning as soon as my bank balance has recovered.
