The Story:

This was a "get-together" with a difference. Christine is a very welcoming person who puts her guest perfectly at ease; one can chat with her over a cup of tea for ages. I felt so relaxed that I wanted to try out some new things with her just for fun. Christine was very obliging. Christine removed her black cocktail dress to reveal some classy underwear, stockings and suspenders. After an excellent massage she gave me a marvelous covered blow job, which I asked to experience blind-folded. She eventually finished me off between those incredible breasts of hers; the first time I've cum that way, and hopefully not the last.
