The Story:

Ofelia used to be Abbey of Northampton and moved further north. I managed to catch up with her in Manchester, although she is moving to London soon.

Still the best deep throat OWO I have ever had. She now does power switch so a true face fuck was on the cards, taking it all balls deep. Great hard fuck and then finished in the mouth savouring and swallowing the lot.

Don't see Ofelia if you are after a GF experience, but a great girl who seems to love what she does.
