The Premises:

This is a fantastic establishment. The entrance is between 2 shops, then up a flight of stairs. This is in a good, safe area of Manchester. I was shown to a lounge and 3 ladies came and introduced themselves to me. I chose one called Libby and then I was led to a really nice room with an en-suite shower and loo. As I was finishing in the shower, Libby came to the room.

The Lady:

Libby is tall and slim with lovely legs and an attractive face and a really friendly personality.

The Story:

I felt quite at ease and relaxed with Libby and after she had removed her clothes we started kissing - proper French kissing which I thoroughly enjoy. She then gave me a body massage which felt very good and which I could see in the mirror at the side of the bed. She then went on to OWO and I haven't experienced better for a long time if at all. I spent some time exploring her gorgeous body including reverse oral with more French kissing and OWO. Unfortunately, as is often the case with me, I came prematurely before I had time to try protected sexual intercourse. I had a wonderful time with Libby though and am only sorry that I can't visit again for quite a while. There is nowhere down here in Devon, that I know of, that compares with this establishment and I look forward to my next visit whenever that might be.
