The Story:

First time to see Millie and it won't be the last!

Was let in by the friendly maid and shown to the room. I stripped off and eagerly awaited Millie's arrival hoping she lived up to some photos I'd seen. After a couple of minutes in she came dressed in some very sexy lingerie. Perfect.

I was quite nervous to begin with, not so normal for me but maybe Millie's beauty had a part to play. We soon began kissing and touching, she felt and smelt great.

OWO soon began which was divine. I just laid back on the bed and let her deliver her magic for several minutes, enjoying her naughty sucking technique. After some minutes it felt like time for a change so I asked to fuck her tits, she smiled, grabbed some oil and we moved to a chair where Millie oiled up and let me slide my cock in between her lovely tits. This is a favorite of mine...it wasn't long before I felt the need to cum and rather than fight it I went for it and came on her tits, with several shudders.

After this, Millie offered a massage - normally I don't find escort massages so great, having an ex partner who was a fully qualified Swedish masseuse - I've been very spoiled in the past! However, Millie's touch was good and I remember complimenting her.

After the massage had done its work it was back to the action. Kissing, me going down on her, then on with a condom. We fucked in Mish, cowgirl (great having access to her lovely tits while she was grinding, then into doggy for a good spell of vigorous fucking before I came again. This took the booking beyond the hour mark and I was feeling content with two pops.

Millie had other ideas though and after a quick chat and drink she started to OWO again and mixing it with wanking my cock. This was great but moving into 69 really set things off. I was doubtful I'd make a third cum but Millie worked my cock to perfection, right up to the end of the booking where I enjoyed a CIM.

Awesome, sexy lady with really quality!
