### The Premises:

Basic flat in Surbiton. Fit for purpose. Street parking £1 per hour but space might be a limited. Inna has other parking suggestions if you have a problem.

### The Lady:

Absolutely drop-dead gorgeous. The photos on her website say it all. Long blonde hair, amazing eyes and lips, and a fabulous figure.

### The Story:

Inna has been on my "to do" list for years but when she moved to Central London it made it difficult for me to see her. She has now moved back to Surbiton which is not exactly local to me but I finally made the effort and achieved my long term goal of screwing this Nordic Goddess!

Inna is very friendly and compliant and keen to please which all made this encounter extremely memorable. She kisses beautifully and her breasts are also dreamy to play with and kiss. Round one consisted mainly of RO, OWO, 69, and sex in missionary which I am sure she enjoyed as much as I did culminating in a massive orgasm.

We then chatted, stroked and joked for a while before round two which included cowgirl and scissors positions but I was not up to the occasion and had to admit defeat without coming a second time. Nevertheless I thoroughly enjoyed the whole thing and left with the proverbial smile on my face.

Thoroughly recommended. Inna should be on everyone's bucket list!
