The Premises:

Nice flat on quiet road. Safe, clean and tidy with good shower facilities.

The Lady:

Stunning. Young woman, in early twenties, anglo-indian in looks. Very attractive face and perfect body. Petite, slim and exquisite. Small natural breasts that were pert with very attractive nipples.

The Story:

Face blurred in agency pics so never sure what to expect but bowled over when I saw her. She is beautiful, intelligent, engaging and offers an excellent service. Asked for particular clothing and to do a role play, she obliged and really made the role play go well. A great professional woman who is excellent at her job. Will definitely see again.
