The Premises:

Flat was ok . Would have preferred a better venue .

The Lady:

She is as her picture show tall beautiful and very busty.
I have been waiting to see her and I was not disappointed .
Face and smile are top . Body shape Amazonian like .
Breasts as huge .

The Story:

Lovely lady . Rare to meet girls like her and I think punters need to be thankful girls like her service us . Her attitude is great . She is open minded and makes you feel good and certainly gives the impression that she enjoys sex. I found no boundaries there .
She is clearly suited for the mega busty fans . I would have seen her even if they were half the size but that's not possible as she likes big boobs .
