Usual Annabellas flat. Easy to find but parking is now 40p not 30 as before..... Damn inflation!

### The Lady:

Tall brunette, good looking with a killer body, hard fake tits but I don't mind that.

### The Story:

Magpie is a tall slender girl who looked good in lingerie and better out of it. No kissing on this occasion but I didn't really try for it or ask for it. Lots of touching and stroking to start with before she crouched down and gave me good OWO. This was as long as I wanted it for and very enjoyable. Moved to the bed where she continued to give me head. Asked for a 69 which was very nice as her bum is exceptional. Was told no fingers which was fine. Was getting close to climax so slowed things down a touch and then asked for the condom. Had a spot of mish and doggy, her arse is amazing to behold in that position. I hate tight condoms so asked for a CIM finish which she duly obliged. Doesn't swallow but not every girl does. Finished with a five minute chat about Poland and my travels there a long time ago.

In essence a nice girl and an 8 out of 10 punt which I think would improve with more visits.

Recommended if you don't want a natural boobed girl.
