The Premises:

Familiar pretty quiet house near Central MK. Very convenient.

The Lady:

Thai lady with the standard Thai ageless tight skin and physique. Impish, wicked features with lovely cocoa skin tone - perfect if you like petite and supple.

The Story:

Bit of a throwaway last minute deal, but was a blast. Usually into more hardcore services with the London Thai contingent, but never been with a lady who enjoyed straight sex more than Peace - from the 69 to furious pounding in various poses Peace was urging me on the whole time. Not going to forget her growled whisper 'don't stop - I HAVE to cum!' for a while!

I was a bit tired after work so didn't push the boat out but next time I might go further with her - didn't even quibble when she rubbered me up for oral, which I didn't expect. I think she'd definitely be up for more intimate services (owo, CIM, A-levels are on her card) if you play your cards right, which I may try next week!
