The Story:

I have to agree with the previous report on Casey. To keep things short, I was also kept waiting - then the entire event, for what it was, was conducted fully clothed - including knickers. She might have a good body - wouldn't know. Managed a quick feel of her pussy, lots of lovely hair, but never got a look, never mind a lick. Fucking her fully dressed didn't do anything for me either. Sadly a total waste. Paid for an hour - only too happy to leave early. The reviews on AW looked good - wish I'd checked here first.
