The Premises:

Andrea's Home is very a nice little house, clean and tidy. No problem parking or nosey neighbours.

The Lady:

Andrea has the most fantastic Boobs and Nipples ! Large, full and very pendulous with lovely big round nipples. She also has a totally natural hairy pussy, which is such a rare find in this day and age !

The Story:

Found Andrea on a well known Internet Escort site after searching for Escorts with unshaven pussies & this was my main reason for visiting Her. (which is so bloody rare and hard to find in this day and age !). Coupled with her having my favourite type of boobs too and having a special £70:00 an hour offer on at the moment how could I not pay her a visit !

Spent ages fingering & going down on her and she tasted lovely, got nice and wet too. And those boobs, sucked, played and kissed them. Andrea seemed to enjoy my efforts with moans and groans coming from her. She wanked me off expertly and I stood up and covered her boobs and chest in four days worth of spunk, and what a lovely site that was !

Certainly a real GFE with no rushing or clock watching and well worth the 165 mile round trip to see her.

Would I see her again ? Too bloody right I will !!
